

HP Indigo Yours Truly Designer 6.5

100% Variable color

Your gateway to print personalization

HP Indigo Yours Truly Designer version 6.5 is a QuarkXPress® XTensions™ software package for the Macintosh®. With it you can create, integrate and preview all personalization jobs – containing fixed data or variable text/image elements. You can create intricate page impositions to fit any job type – simple static or personalized, step and repeat, or imposed books.

HP Indigo Yours Truly Designer is available to HP Indigo digital press owners, and ships with the purchase of an HP Indigo digital press.

A state-of-the-art and resourceful solution for exploiting the advantages of personalized digital printing
